

United States District Court

WESTERN DISTRICT OF MICHIGAN

UNITED STATES OF AMERICA

V.

FRANCISCO JAVIER GUTIERREZ

ORDER OF DETENTION PENDING TRIAL

Case Number: 1:11-CR-48

In accordance with the Bail Reform Act, 18 U.S.C. §3142(f), a detention hearing has been held. I conclude that the following facts require the detention of the defendant pending trial in this case.

Part I - Findings of Fact

- ☐ (1) The defendant is charged with an offense described in 18 U.S.C. §3142(f)(1) and has been convicted of a (federal offense) (state or local offense that would have been a federal offense if a circumstance giving rise to federal jurisdiction had existed) that is
- ☐ a crime of violence as defined in 18 U.S.C. §3156(a)(4).
- ☐ an offense for which the maximum sentence is life imprisonment or death.
- ☐ an offense for which the maximum term of imprisonment of ten years or more is prescribed in _____
- ☐ a felony that was committed after the defendant had been convicted of two or more prior federal offenses described in 18 U.S.C. §3142(f)(1)(A)-(C), or comparable state or local offenses.
- ☐ (2) The offense described in finding (1) was committed while the defendant was on release pending trial for a federal, state or local offense.
- ☐ (3) A period of not more than five years has elapsed since the (date of conviction) (release of the defendant from imprisonment) for the offense described in finding (1).
- ☐ (4) Findings Nos. (1), (2) and (3) establish a rebuttable presumption that no condition or combination of conditions will reasonably assure the safety of (an) other person(s) and the community. I further find that the defendant has not rebutted this presumption.

Alternate Findings (A)

- ☒ (1) There is probable cause to believe that the defendant has committed an offense
- ☒ for which a maximum term of imprisonment of ten years or more is prescribed in 21 U.S.C. § 801 et seq
- ☐ under 18 U.S.C. §924(c).
- ☒ (2) The defendant has not rebutted the presumption established by finding 1 that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

Alternate Findings (B)

- ☒ (1) There is a serious risk that the defendant will not appear.
- ☐ (2) There is a serious risk that the defendant will endanger the safety of another person or the community.

Defendant is 26 years old and has resided in Grand Rapids for the past 13 years. He has smoked marijuana on a daily basis for the past 9 years. In the past 8 years defendant has accumulated approximately 11 convictions, most of which were for driving while license suspended. He has one drug charge on his record. During the same period defendant has amassed well over 20 Failures to Appear in court.

Part II - Written Statement of Reasons for Detention

I find that the credible testimony and information submitted at the hearing establishes by clear and convincing evidence that

no condition or combination of conditions will assure the presence of the defendant for future court proceedings based upon the un rebutted presumption. In the alternative, I find the government has shown by a preponderance of the evidence that no condition or combination of conditions will assure the presence of the defendant. Defendant is what may be referred to as a "scofflaw," that is a contemptuous law violator, as indicated by his blatant refusal not to drive (continued on attachment)

Part III - Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States marshal for the purpose of an appearance in connection with a court proceeding.

Part II - Written Statement of Reasons for Detention - (continued)

despite the fact that his license has been suspended, and by his repeated failures to appear in court well over twenty times.
